

Annular Eclipse and San Francisco

18th May 2012

Flight requirements

Our packages for the Annular Eclipse and San Francisco tour do not include flights, to help you book them here are the itinerary details:

Departure Date	Departure Airport	Arrival Date	Arrival Airport
	Your home airport	18 th May 2012	Phoenix Airport Airport Code: PHX
28 th May 2012	Los Angeles airport Airport code: LAX	28 th May 2012	San Francisco airport Airport code: SFO
31 st May 2012	San Francisco airport Airport code: SFO		Your home airport

Hints and tips: It can work out better value booking the flights together as one package rather than booking them individually. To search for all the flights at once websites generally have a “multi-city” or “multi route” option when you are searching, this will then allow you to enter in all the dates and destinations you are looking for as one search.

Please note – you will also be responsible for booking all transfers to and from airports – we will confirm exact details and hotel addresses nearer the departure.

Want us to book your flights?

We are happy to book them on your behalf, charging a £20 admin fee.

We can also book your international arrival and departure transfers, this will cost approx. £25 per person, please ask for details.
